

**Application to register as a Town Green -
Land at Humpty Hill, Faringdon, Oxfordshire**

Witness Statement in support of the Application

1. I, Dr Anthony Field, of 7 Westland Road, Faringdon, Oxon, state that I have lived in Faringdon since November 1961 at the above address. I was also born in Faringdon and lived in my parental home at 4 Westland Road until I left for University at the age of 19.
2. Since I can remember, I have known of people using the footpath on the east side of the Humpty Hill field to access the town from Highworth Road, indeed I walked this way to the Infants School with my grandmother.
3. I also remember many people using the field, including myself and friends in winter for sledging and at other times of the year for kite flying and to pick blackberries in the autumn.
4. Since my return to Faringdon in 2002, I have seen people on a daily basis walking around the full perimeter of the Humpty field exercising their dogs and for recreation. I have also often seen people allowing their dogs to run over the full area of the field.
5. I have often used the field in summer for relaxation and sunbathing and to sit in the evening to admire the view. At these times also often seen groups of youths sitting in the field socialising.
6. At no time have I or to my knowledge anyone else been challenged by the landowner for using the field for these activities.
7. The facts stated in this witness statement are true.
