

**Application to register as a town green,
land at Humpty Hill, Faringdon, Oxfordshire**

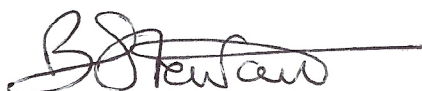

Witness Statement in support of the Application

1. My family and I have lived at 14 The Pines, Faringdon since October 1977. In 1977 the family consisted of me, my husband and two children. In 1980 we had another child so regular use of this field extended over a long period of time.
2. This family has used the field since 1977 for recreational purposes including walking, playing, nature trailing, blackberry picking and sledging. My children are now adults who all still live in Faringdon and they use the hill for skiing whenever the opportunity arises.

None of us has ever been prevented from using the field.

3. I have encountered frequent and regular activity in the field in the form of children playing, dog walking, sledging and recreational walking by members of the public.
4. I declare the facts in this witness statement to be true.
