

**Application to register as a town green,
land at Humpty Hill, Faringdon, Oxfordshire**

Witness Statement in support of the Application

1. I, Christopher Ellacott have lived at 18 Chestnut Avenue in Faringdon since 2005. Both of my children have been born since this time.
2. My family and I have used the field as an open green space since 2005 for walking and enjoying the view, sledging in the winter and sloe picking in the autumn. We also use it for launching model planes and water bottle rockets as it has the space we need to do this safely.
3. I have observed other people using the field for exercising dogs, running and blackberry picking.
4. I believe that the facts stated in this witness statement are true
