Witness Statement in support of the Application

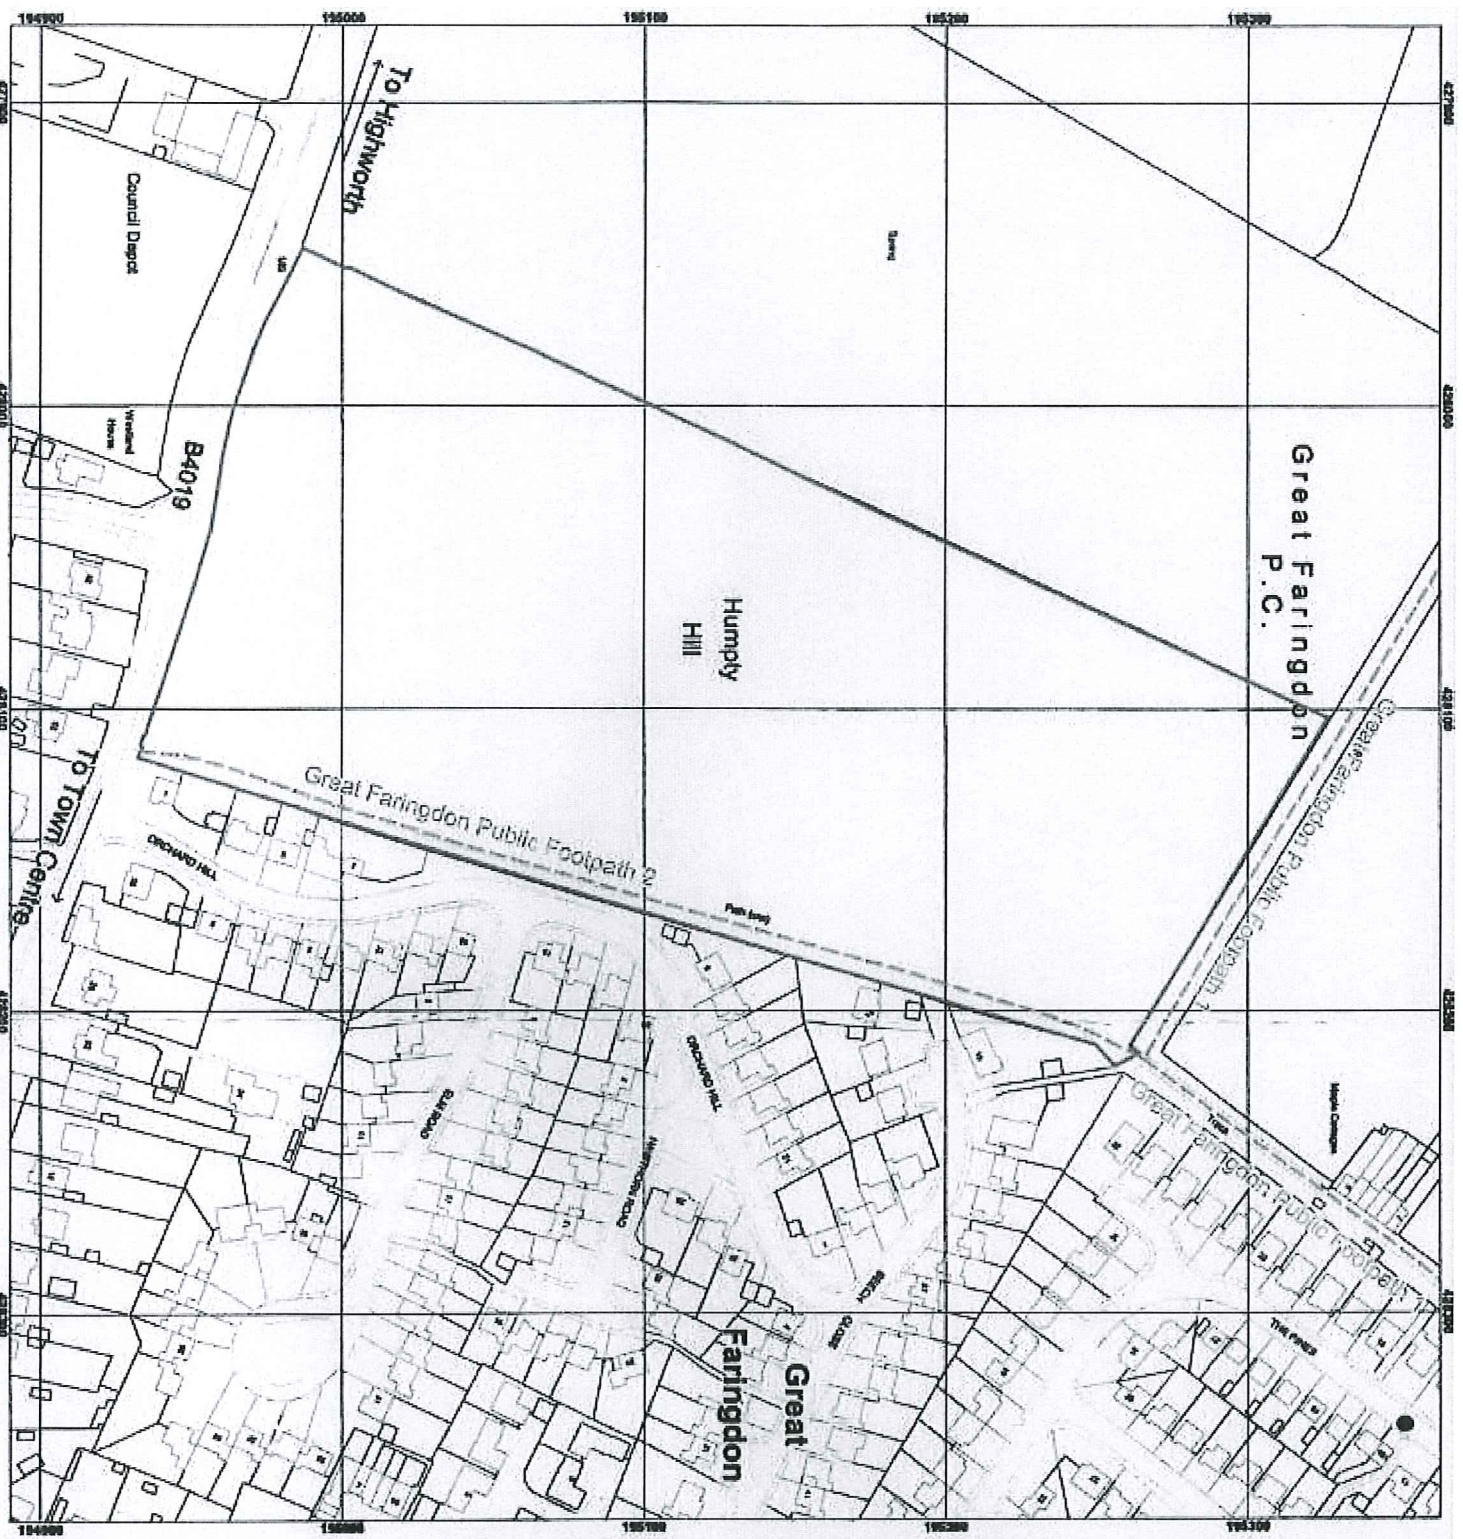

1. I, David Curzon, of The Mill House, Stanford Road, Faringdon, state that I have lived in Faringdon Since September 1971. From 1971 till 1976 I lived at 21 London Street until moving to The Mill House.
2. My brothers and I first made use of the field back in 1971 for both dog walking and playing numerous boyhood games and this continued on a regular basis until approximately 1976. Since that date I have returned numerous occasions both with my daughter and my partner's children for dog walking, country walks and sledging.
3. Now we have purchased another dog, my partner and I often return to the filed. As part of my walking activity I walk both around the perimeter pathway but also I often walk to the centre of the field.
4. I have also used the field for the following activities.
 - a. Golf practice
 - b. Ball throwing and frisby games
 - c. Rugby practice
 - d. Jogging
 - e. Kite flying
 - f. Sledging in the snow
5. I have on many occasions observed other people using the field for walking dogs, bird watching, blackberry picking and in winter months for many of the towns local children congregate for sledging and snow ball fights.
6. I am aware that the farmer cuts the grass for his variable crop each year. This has never interrupted my usage of the field. I also once observed a small number of cattle in the field.
7. I have never seen or spoken to the land owners. I have never been challenged or prevented from using the field.
8. I believe that the facts stated in this witness statement are true.
