

PUBLIC INQUIRY - Humpty Hill Town Green Application

Witness Statement

Dears Sirs

I have used Humpty Hill for recreation for many years. I've always accessed the field either via the gate on Highworth Road or the gate at the bottom of Canada Lane. I've have never been denied access to any part of the field/Humpty Hill.

I've used the hill for walking and jogging/keep fit. Now that I have children we use the field regularly for walks, bird and general nature watching, we fly kites there. We use the field for sledging when we have snow.

As it's the only accessible green space on this side of Faringdon, we have had picnics at the top, as the views are wonderful. On Bonfire night, we take our children there to watch the fireworks over the town. (Hot chocolate and blankets are a must though!!!)

When ever we visit Humpty Hill there are always plenty of other people using the field. Whether for dog walking or just enjoying the field for what it has to offer. It's a fantastic place to just go a sit in the grass and look across the valley.

Even though it's not really on our walk home from School, my son wants to go via Humpty Hill everyday.

I have never been challenged for using the field for any of the above uses that my family and I have taken part in.

Yours Sincerely

Joel Francis
