

Application to register as a town green,
land at Humpty Hill, Faringdon, Oxfordshire

Witness Statement in support of the Application

I, Joseph Middleton, of 17 Beech Close, Faringdon, state that I have lived in Faringdon since 1980. From 1980 until 1983 I lived at 19 Orchard Hill, I then moved to 17 Beech Close in 1983.

My wife and I first made use of the field in 1980, for walking and dog walking, using the whole of the field for our daily exercise.

I have used the field for the following activities:

Sledging in the snow.

Kite flying.

Blackberry picking.

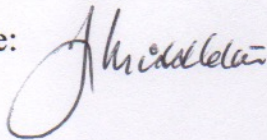

Watching Red Kite birds, which are a rare and protected species, which regularly visit the field.

I have never been verbally challenged for using the land for these purposes, that I have participated in.

I regularly observe other people using the field for, golf practice, bird watching, blackberry picking, sledging in the snow, classes of school children on nature walks, flying model aircraft, playing football and dog walking.

I believe that the facts stated in this witness statement are true.
