

Application to register as a Town Green, land at Humpty Hill, Faringdon. Oxfordshire.

Herewith my statement concerning Humpty Field in support of the application.

1. I am Kay Fox. I and my family have lived at 37, Highworth Road, Faringdon from 1976 – 2014.
2. The field known as Humpty Hill which is opposite the house, has been a great asset for me and my husband, our 4 children and our grandchildren. We would frequently walk around the field. We flew kites there and picked elderberries, blackberries and sloes, and sledged in the winter. I used to take my son to school this way, and think some parents still do. The hedgerows and the trees and the variety of flowers and grasses gave us great enjoyment.
I have spoken to the farmer when carting the hay. He was concerned about the children playiny on the bales and the dog fouling, but he did not object to the field being used.
3. I have seen many people walking /dog walking, the field is rarely empty. I have seen groups sitting or picnicing and admiring the view.
4. The uses I have seen in the field are – Dog Walking
Fruit Picking
Walking
Kite Flying
Sledging
Picnics or groups sitting
Walking to school
5. I believe this statement to be a true representation.
