Witness Statement in support of the Application

1. I, Marian Lowers, of 11 Beech Close, Faringdon, state that I have lived in Faringdon since January 1997 and in Beech Close since 2007.
2. Humpty Hill has been a regular part of our lives since the children were small. And now they're older, we use the field to keep fit together, regularly going on runs and seeing how many sparrow hawks and woodpeckers we can spot along the way.
3. We have also used the field for the following activities:
 - Blackberry picking
 - Kite flying
 - Egg rolling (an Infants School tradition)
 - Sledging in the snow – along with most of Faringdon.
4. I have observed other people using the field for exercising their dogs, running, bird watching – and, the most precious, having a good old chat with other residents! To my knowledge, I've never seen the landowner in the field.
5. I believe that the facts stated in this witness statement are true
