

**Application to register as a town green,
land at Humpty Hill, Faringdon, Oxfordshire**

Witness Statement in support of the Application

I, Michael Barrett, 11 Orchard Hill, Faringdon, state that I have lived in Faringdon Since July 1981. From 1981 till present day at the same address.

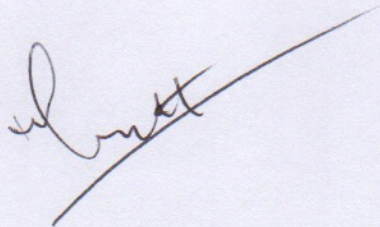

I first made use of the field in 1981'playing with my children, mainly ball games and flying model planes.

Birdwatching is a favourite and we now see a red kite circling almost daily.

My home overlooks the field and it is constantly in use with dog walkers, jogging, fast walking, and of course in the snow sledging even when we only have a dusting. As well those choosing to walk into town through the field rather than on the road.

I believe that the facts stated in this witness statement are true
