

**Application to register as a town green, land at Humpty Hill, Faringdon,
Oxfordshire**

Witness statement in support of the application

1. I, Richard Edgington, of 24 Chestnut Avenue, Faringdon, state that I have lived in Faringdon since my birth in 1968.
2. I have used the field for various activities since I was born. As young child I played in the field with friends. While still living at home I used to regularly walk my dog around and in the field. I have used the field for bird watching and now, as I have children of my own and the field is so close, we regularly walk to the field and play since it is the nearest safe open space of a walkable distance. When snow falls I head straight to the field for sledging and it as always very busy.
I have also seen livestock in the field from time to time and I have never been challenged or refused permission to the field.
3. I have also observed the being used field for:
 - General exercise in and around the whole field
 - Kite flying
 - Dog walking
 - General play for children
4. I believe that the facts stated in this witness statement are true
