Dear Sir

Application to register land
known as Humpty Hill, Faringdon,
Oxfordshire as a town green

I write to express my strong support for the above application.

I moved to 28 Orchard Hill, Faringdon in 1984 with my wife and three young children.

My children, particularly my two sons spent many hours playing in this green space and adjacent woods with their friends often in a group of up to 8 children, and this continued well into their teenage years.

As a family we used to fly kites in the summer and sledge in the winter snow.

More recently my wife and I have regularly walked around the field for exercise and picked blackberries.

This is a fabulous asset for local people with wonderful views and ought to be preserved.
