

**Application to register as a town green,
land at Humpty Hill, Faringdon, Oxfordshire**

Witness Statement in support of the Application

1. Robin Ashdown of 25 Beech Close, Faringdon, state that I have lived in Faringdon since 1988. From 1988 until 1990 I lived at 11 Carters Crescent, then at 64 Marines Drive until 1996. I moved to Beech Close in 1996.
2. My wife, two children and I have made use of Humpty Hill for a range of activities over the past 26 years. From 1998 – 2013 we regularly walked our own dog using the perimeter path and the centre for additional exercise (us and the dog).
3. Our children have ridden their bicycles, especially when learning, played rounder's, baseball and football and generally practised prior to the school sports days. They flown kites from the top of the field and joined with the rest of the community whenever there was sufficient snow coverage for sledging and snowman building. This was once featured on the local television. Whilst attending the infant school they have "egg rolled" with their teachers as part of the Easter activities.
4. I have observed other people following similar activities as well as bird watching, kite and model aircraft flying.
5. I have never been approached by anyone for using the land for any of recreational activities that I have mentioned.

I believe the facts stated in this witness statement to be true.

Signed

Robin Ashdown
