

**Application to register as a town green,
land at Humpty Hill, Faringdon, Oxfordshire**

Witness Statement in support of the application

1. My family and I have lived at 42 The Pines, Faringdon since April 1974. In 1974 the family consisted of me, my husband and one child. My husband and I were the main users of the field. Our daughter left home in the mid nineteen eighties and my husband died in 2006.
2. My husband and I used the footpath as part of regular walks both on our own and with groups of other walkers on led walks. We also, on our own, used the whole field for strolls and as a pleasant way to walk home to avoid road walking. I still continue to use the paths in the field regularly.
3. Over the years I have seen many activities taking place in the field, dog walking, children playing and sledging as well as other walkers on the paths.
4. I believe that the facts stated in this witness statement are true.
