

Application to register as a Town Green
the land known as HUMPTY HILL,
Faringdon, Oxfordshire.

Witness Statement in support of the above Application.

1. Roy Wellington, 8 Orchard Hill, Faringdon, Oxfordshire, SN7 7EH.
My wife and I moved to the above address in June 1976.
2. During the time that I have lived here my family have made use of the field in many ways. When the children were young we used to play football with their friends. Fly kites and generally make use of the outdoor space including keeping fit by running around the field. During the winter, when there has been snow, we have enjoyed sledging, together with many other Faringdon residents.
3. Now that I have "aged" I make use of the area in a less strenuous way by flying my model aircraft.
4. The field is the only open space on the West side of Faringdon that can be enjoyed by those who live nearby.
5. Dozens of dog owners use the field every day. A great place for them and their dogs to get exercise in a safe area, away from the traffic.
6. The field is also home to several species of birds and animals which, I think, be allowed to live their lives undisturbed in their natural habitat.
7. Over the course of a year one sees literally hundreds of people making use of this piece of countryside and, to my knowledge, the present owners have never complained or stopped anybody, which in itself is a great compliment to them.
8. I trust that the above will be of help in the application for the registration.

Roy Wellington.
