

**Application to register as a town green,
land at Humpty Hill, Faringdon, Oxfordshire**

Witness Statement in support of the Application

1. I, Samantha Brady, of 24 Fernham Road, Faringdon, state that I have lived in Faringdon at the aforementioned address since August 2007.
2. Since having children in 2009 my husband and I have often walked to Humpty Hill with our babies and we still continue to do so now our children are older. Whilst walking on the land we are able to enjoy beautiful views over the town including Folly Hill and neighbouring countryside (including National Trust land) and can even see as far as Brize Norton. It is a unique place because of this.
3. In addition to walking around the perimeter pathway, when it has snowed we have used the entire site to watch or participate in sledging down the hill. It is a perfect incline for sledging and sliding. At these times Humpty Hill draws people from the whole of Faringdon town as well as outlying areas and adds to the amenity of the town.
4. In addition, I also pick wild blackberries on the site.
5. I have observed other people using the field for golf practice, kite flying, jogging, model aeroplane flying and bird watching.
6. The facts I have given in this statement are true to the best of my knowledge and belief.
