

**Application to register as a town green,
land at Humpty Hill, Faringdon, Oxfordshire**

Witness Statement in support of the Application

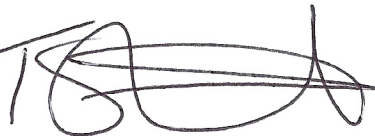

I, Tim Stewart, of 26 Park Road, Faringdon, state that I have lived in Faringdon Since 1978. From 1978 until 1994 I lived at 14 The Pines, then at 41 Bromsgrove from 1994, Cadels Row from 2003, 15 The Pines from 2006 until I moved to Park Road in 2009.

I first made use of the field as a child in the '70's and 80's when I used to play childhood games, fly kites from the top of the hill and like many other people sledging in the winter time. When I was older I used to spend time in the field as a teenager in the late '80's, early '90's for relaxing, sitting at the top of the hill enjoying the view and walking friends dogs. As an adult I frequently use the field to exercise my dog using the top of the hill to throw the ball from into the centre of the field. During this time I have met the farmer on a number of occasions, usually just to wave to when he has been working the field when I have been in the field and on one occasion as a child when there had been some damage to hay bales and the farmer's wife stopped us in the field to ask if we were aware of the damage. At no time through any of these activities have I been asked to leave the field or stop what I was doing.

I have observed other people using the field for golf practice and bird watching as well as the dog walking and sledging that I was doing.

I believe that the facts stated in this witness statement are true
